

Dive deeper into feedback with **Hive Messenger**

“Hive Messenger allowed me to respond to 83 employees directly within one week. I was able to follow up on our survey feedback and personally address colleagues anxieties, fears, and concerns—shortly followed by FSCS achieving our highest ever engagement score.”

David Blackburn, Chief People Officer, FSCS

Continue the conversation, show people you're listening and develop an even better understanding of their feedback.

Follow up on feedback and get to the crux of issues raised by your employees. Instant, two-way communication with Hive Messenger lets you show people their voice is heard.

Create a safe space for confidential dialogue.

Multiple managers can take part in a conversation if they need to and your people will know who they're talking to—but you won't! Employees' identities remain protected to encourage honest conversation.

Follow up on:

- ✓ **Survey responses**
- ✓ **Open Door submissions**
- ✓ **Hive Fives**

Escalate feedback to the right people in your organisation and close the feedback loop. By responding to all types of feedback gathered in Hive, you can involve people in driving the change they want to see.

4.6x
more
empowered

Employees who feel their voice is heard are 4.6x more likely to feel empowered to perform their best work.

Ready to close the feedback loop? Messenger is just one of the many feedback tools included in a Hive subscription. Get better introduced to our platform and People Science services by [booking a demo](#) or emailing hello@hive.hr
